2. **Save up to 20% with our exclusive Vodaphone plan** with free calling to your team and everyone else that is a member of the AEIA. **Save some more** with our CallPlus plan for your landlines.
3. **Pay only 1.85%** for EFTPOS transactions (**normally as much as 4.5%**) with BNZ with more major banks to follow.
4. **Get advice and guidance** on where to find parts for obsolete models, or how to fix a troublesome fault by using the **AEIA EMAIL DISCUSSION GROUP.**
5. **Save thousands on your components and spares purchases – up to 5%** on parts from selected suppliers. Massive trade discounts for electrical goods and tools (INCLUDING POWER TOOLS).
6. **Attend our annual conference** with training workshops, networking opportunities and business tools and speakers.

6 REASONS TO SUPPORT YOUR INDUSTRY ASSOCIATION

1. **It acts as the ears, eyes and voice of this industry** in all matters relating to the development or modification of government policy.
2. **It plays an active part in the positive promotion of the industry** wherever applicable.
3. **The Association provides education and compliance assistance to members**, to assist them with the legal and compliance issues in their businesses. We currently have extensive HR support in the member area on our website. We are also currently renegotiating a memorandum with the EWRB to ensure that our members are classified as low risk for audit purposes.
4. **The Association fosters the attainment and maintenance of the highest standards of customer service and business ethics** and also provides a consumer support service for any people who require assistance in resolving a dispute with an industry member company.
5. **The Association plays a Key role in Industry Training** as a foundation member of, and is actively involved with, the Electro-technology Industry Training Organisation.
6. **The Association promotes Industry Excellence** with our annual APEX awards

And the future?

We are already on line developing an extensive website, which will give members access to a wide range of information and services. These will continue to be developed and expanded as time progresses and the scope is virtually unlimited as to what this facility may be able to provide.

Of one thing you may be certain, whatever is undertaken by the AEIA in future, it will be for the benefit of our industry and in particular for our members.
